

OPCC TAX EXEMPT STATUS

The club's application for exempt status was filed March 22, 1984 under Section 501(c)7.

The club's name at that time was Sunland-Sequim Camera Club.

The application was granted by the IRS, dated May 7, 1984.

Our name was changed to Olympic Peaks Camera Club and acknowledged by the IRS, dated August 15, 1997.

Our Employee Identification Number is 91-1246279

Clarification:

Section 501(c)7 simply refers to exempt status for "Social clubs" and that was the designation for our camera club. There are at least 15 IRS tax exempt sections. Section 501(c)3 refers to charitable, religious, educational, scientific, etc., organizations.

NOTE: The Secretary/Treasurer has what appears to be the original IRS recognition of exemption document, dated May 7, 1984.
